

November 2024

Dear Parents,

New term

What a wonderful start to the new term! Your children are already so settled, and we are all grateful for your encouragement and engagement.

Congratulations

Congratulations to our New Deputy Manager – *Helen*, I know you will want to congratulate her.

Oaklea Marie (Manager & SENCo) and Helen (Deputy Manager) are heading up a wonderfully happy effective team. Together they are creating an environment in which your children are settling, thriving and enjoying their time at nursery!

Holidays and Absences

Although nursery attendance is not statutory, it is important for parents/carers to report their child's absence to nursery on the first day. Nursery has to follow guidelines set out by the local authority regarding the regular attendance of all children. Please report all absences on our landline number **Oaklea New Town: 01206 587448 / Oaklea St John's: 01206 589995**

Funding and Sessions...

Funding forms will be given out shortly, ready to be signed and updated for the Spring term., and all codes need to be validated or reconfirmed by 31st December to be valid for Spring. Please make sure, if eligible, you apply for or renew your working entitlement code for the Spring term by 31st December, this is to be renewed every 3 months. You can find out more information regarding funding available and tax-free childcare at: <https://www.childcarechoices.gov.uk/>

***Important note:** If we do not receive a completed and signed funding form, your child may not receive funding for the Spring Term resulting in sessions being invoiced.*
If you would like ad hoc sessions, please ensure your invoice is settled as we are unable to cater for ad hoc sessions otherwise.
If you have any questions regarding funded sessions, please do not hesitate to contact the office for the further information.

Clothing

As you know, the children enjoy a spell outside as soon as they arrive. This means that they need to be wearing clothing suitable for the day, including wellies! All they need to do is hang up their bags and go into the garden. The children will then move inside as

they choose. Many may prefer to work outdoors for longer; another reason to dress them for the day's weather.

Please make sure that children have some easy to put on indoor shoes (slippers, plimsols) and clothing that is easy to change inside their bag. We always support and encourage children's independence to dress themselves (as developmentally appropriate). Changing children out of skinny-fit trousers and sneakers/converses is very time consuming! And please.... name everything!!!

Shoebox Appeal

We are delighted to be taking part in 'Operation 500 Smiles' again this year. This is such a rich opportunity for the children to be part of. Please do not feel obliged to complete a whole box – anything you can contribute will be hugely appreciated. We will have a collection table available at the front of the building for any items you would like to donate. We will be watching short video clips with the children to support their understanding of giving and receiving. There is also further information including what can be included in the box, on the St John's Church website:

School Applications

Applications for school can be applied from 4th November 2024 and needs to be completed and submitted by the national closing date of 15th January 2025.

Nativity play

We would like to remind you that all of you are invited to come with your children to see our simple Nativity on Tuesday 17th December start at 10am at St Stephen's Church. We will take all the children in that day (including Little Sparrows) to the church. If your child is not in nursery that day, please meet us at the Church. Please encourage your child to join their friends and teachers to sing and dance at the front. However, you retain responsibility for your child. We have always found this a very special event and a lovely finish to the nursery year. Please do come, we would also love if you can join in, please see attached the nativity song sheet! Please do not take photos during the nativity, there will be an opportunity to take photos of your child at the end of the nativity.

Bits & Bobs

Please follow important safeguarding measures and ensure that you are not using a mobile phone in the nursery or outside area.

Whilst waiting for your child's session to start, please do not go around the front of the building, this is the Lib Dems area. Also, please keep the main gate closed, as we are near the busy road.

Please leave **all food** at home, we have many children with allergies, and we need to keep all children safe. Our mealtime policy is on the website for further information.

A reminder that if you wish to cancel meal costs, such as for a planned holiday, please give at least 1 week's written notice.

And finally...

Thank you again for your support.

Yours sincerely,

Dawn Lewis
Oaklea Director
